SUMMARY

Motivated and detail-oriented Full Stack Developer with a B.Tech in Computer Science and Engineering (2025) and hands-on experience in building responsive, user-friendly web applications. Skilled in modern technologies including HTML, CSS, JavaScript, React.js, Next.js, Tailwind CSS, Node.js, and MongoDB. Passionate about solving real-world problems through clean code, scalable architecture, and seamless UI/UX design. A quick learner with a strong foundation in both frontend and backend development, I thrive in collaborative environments and am eager to contribute to innovative projects while continuously advancing my technical skills.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science & Engineering
Dhemaji Engineering College, Assam
